SUMMARY

I am results-driven IT specialist with comprehensive expertise in full-stack development, network infrastructure, and system maintenance. Holding both Bachelor's and Master's degrees in Information Technology from Bahir Dar Institutr of Technology, Bahir Dar University, with brings strong academic credentials (GPA: 3.67 BSc, 3.46 MSc) /4.00 complemented by industry certifications from Cisco, Huawei, and Microsoft.

My professional experience spans roles as an ICT Officer and Computer Maintenance Technician, where he demonstrated proficiency in implementing technical solutions, troubleshooting complex systems, and managing critical IT projects including data center documentation and organizational digitization initiatives.

With additional certifications in AI, Data Science, and Android Development from Udacity, I combines cutting-edge technical knowledge with hands-on problem-solving skills. His bilingual proficiency (Amharic, English) further enhances my ability to collaborate effectively in diverse environments.

EXPERIENCE
